Up until an early hour this morning the bowlers still Bellin fought it out for the championship in Down singles, while early in the afternoon the two-man teams settled their differences, and about 10 o'clock last evening the woman's championships were set-

The mark set by Elwert and Kup-pinger of Denver on Thursday with-stood the attack of all the two-man combinations, and this pair have a clear title to the two-man champion-ship honor with a score of 1,251 standsing as a world's record to their credit Second place goes to another Denver combination, McNamamy and Bishop who were over 100 points behind the winners. Salt Lake won third in the five-man team race the day before with the All Commercial team, and the record the two twices in the two twices. turned the same trick in the two-mateam with A. W. Interest in Women Bowlers.

In the evening games, the crowd wa eager to see what the crack wome bowlers of the west would do agains each other in competition. It was prac-tically conceded that Mrs. H. C. Scot of Los Angeles was in a class by her self, and she proved this when one play began. Like the men, the wome were nervous when they began, an some of them did not come near their playing form at any time during th

game. Mrs. Scott's winning score of 514 wa much higher than many of the men's singles. The honor of second place goes to Mrs. Driggs of Ogden. She was Ogden's only entry, and beat out Mrs Harry Hamlin of this city by four

Fight It Out in Singles.

At the close of the woman's tourns ment, the crowd still remained to se the men fight it out in singles. Man of the best bowlers of the tournamen were left, and their friends hoped see them overtake Russell of Denve who has been high man for two days with 611. Both Zehring and Whitney. two of Salt Lake's experts, had a good rhance to overtake the Denver man but unlucky splits at a critical time put both out of the running.

Near midnight the crowd broke forth in loud applause when Brown of the Portland "He Ho" boys got busy among the pins and hit a merry clip from the first game. When it was all over he had placed seven points on top of the mark set by Russell of Denver This, it was thought, was a sure win-ner of the first place, and the crowd sai

Harvard Basket Ball Player Slugged Columbia Opponent-Almost a Riot.

New York, March 10.-A small riot marked the Columbia and Harvard basket ball game last night in the university gymnasium, precipitated by Quigley one of the Harvard forwards. Toward the end of the second half of the game, after being several times warned for rough play, Quigley, it is charged, landed a left hook on the jaw of Cuthell of Columbia, and stretched the blue and white player on the floor. In an instant several men were pummeling the offending player, and only by the prompt interference of Manager Fisher and Captain Hulley of Columbia and the joint efforts of the Columbia and Harvard players was he saved from rougher handling. The Columbia students and other spectators were indignant, but the influence of some cool heads among them prevented their taking a hand in the melee. The incident marred a well-played and interesting, though rough game. The match decided the second rank in the intercollegiate basketball championship. If defeat had been Columbia's portion she would have had to give place to the Cambridge five. Victory insured her second position behind Pennsylvania. Columbia wan by a score of 22 to 17. player, and only by the prompt inter-

While this match was goirg on, Dysinger and Gilman, the two Los Angeles cracks, were having it out with Gossett and Baker of the Denver Brunswicks on another set of alleys. This match was for five games, total pins to count, and for a \$50 side bet. The Los Angeles pair won with \$7 pins to the good. All the scores were small.
